FIGURE 2

FIGURE 3

A detailed floor plan of a bathroom. The plan includes a bathtub, toilet, sink, and shower area. Numbered callouts point to specific features: 1 points to the bathtub/shower area, 2 points to the toilet, 3 points to the sink, 4 points to the bathtub/shower area, 5 points to the bathtub/shower area, 6 points to the bathtub/shower area, 7 points to the bathtub/shower area, 8 points to the bathtub/shower area, 9 points to the bathtub/shower area, 10 points to the bathtub/shower area, 11 points to the bathtub/shower area, and 12 points to the bathtub/shower area.

Technical drawing of a water supply system for a toilet, showing two cross-sectional views. The top view shows a vertical pipe (1) with a valve (3) and a float valve (6) connected to a toilet tank. The bottom view shows the toilet tank (7) with a flush valve (4) and a pump (9) connected to a horizontal pipe (10). A dashed line with a lightning bolt symbol indicates a break in the pipe. Various components are numbered 1 through 12.

Technical drawing of a door assembly showing a cross-section of the door and its frame. The door is labeled 1, the frame is 2, the hinge is 3, the lock is 4, the handle is 5, and the door stop is 6. A small detail 12 shows a hinge pin.
